“ I was asked to help Danny and the others out on the curling sheet but it wasn't long before I realized that Danny and indeed all the Hot Rockers give back way more than they take. Will miss you Danny.

“ Danny, it has been a privilege to have known you as a member of our lawn bowling and curling leagues, and as a friend. Through these years we have enjoyed your sense of humour, and admired your determination to overcome the many challenges that came your way, You will be greatly and sadly missed.

“ I'm going to miss how Danny always joked around with me, and how he cheered me on with "good shot Jules" when we were curling together.

I'm keeping you in my heart Danny.

Love
