“ Although we were not close friends of Danny, he made us feel as if he'd known us all of his life - he had that quality. We will miss him - he was a dear man - cheerful, helpful, humble. May he rest in peace. Marion Jackson & Lou Bleakley

“ Dan, I will miss your ready smile, your sense of humour, your delicious chilli... you remain in my mind a most wonderful man, evident in the way you loved and cared for our dear Vi. I will never forget you... I know Paul was there to greet you when you left this realm for the next. Rest in peace, dear Danny.

“ Dear Vi,
How sad I am to read the news today. Your dear friends Chris and Don have been letting me know how Danny has been feeling these past few months and please know he and you have been in my prayers. Although I didn't have the pleasure of meeting Danny I do have many memories of chats with you about him and the love you shared came through loud and clear.
You and your family are in my thoughts and prayers.
With love,
Anne Williams

“ Hello Vi,

I am so sorry to hear about your loss. What I remember most about Danny is the way he stood by your side at our get togethers. I remember him as a quiet man when in a crowd and it was so clear that he loved you. My thoughts and prayers are with you and your family.
