“ No one can replace your mom, the heart your mom had for others is a rare gift to the many people who had the privilege to know her. It has been far too long since I have seen Dana last but I still felt that she was a true dear friend wherever life put us. I will carry her memory in that special place in my heart. Please accept my condolences.

“ *Alma--I remember sitting on her lap asking everyday when baby Shannon was going to be born. I also had 2 gold fish I named them John (the fat one) and Dana. I also remember endless conversation about boys and dating. She was a wonderful sister in law may you rest in peace.*
