

Danny Thomas

April 24, 2023

It is with immense sadness that I announce the passing of my beloved husband Danny Thomas, who courageously battled a chronic illness for many years. He passed away the afternoon of April 24, 2023.

Danny was an exceptional man who touched the lives of so many people with his kindness, generosity, and warm spirit. Despite his illness, he remained positive and never lost his love for life. He was a husband, father, son, brother, uncle, nephew, cousin and friend, who always had a smile on his face and a joke in his back pocket.

Throughout his long battle with Diabetes, Danny never complained or let his condition define him. Instead, he remained focused on the things he loved most in life, including spending time with his family and friends, gaming, and staying on top of his favourite sports teams.

His loss leaves a void in our hearts that can never be filled, and we will forever cherish the memories of the time we spent with him. We take comfort in knowing that he is now at peace, free from pain and suffering.

We would like to thank the doctors, nurses, and caregivers who provided exceptional care to Danny throughout his illness, especially the last 3 years. We are also grateful to our family and friends for their unwavering love and support during this difficult time.

A private funeral service will be held for immediate family members only. A celebration of life service will be held May 16, 2023 at 5pm

“ *MY WORSE NIGHTMARE CAME TO LIFE!!! I am beyond devastated to hear about my dad Danny. Danny was my foster dad and he was the best! 19 1/2 years ago I found out I was pregnant and I was remove and placed in a maternity home. I asked about Danny everywhere and no one was able to give me any answers. I am a mom of 6 and I always wanted to find Danny “my dad” to introduce my children to him. I’ve been searching for him for years! I just found out today that Danny passed away..... I AM SO HURT! I wanted to show you how much I appreciate you for being there for me when i didn’t have anyone. I love you Dad... Danny! Your contiguous laugh and your huge smile lite up the room! I will always have an emptiness inside for not being able to find you and thank you for everything! You were and always will be special to me.* 💔🙏🌸

“ Miss you so much my dear friend. You found light in the darkest hours of my life I will forever cherish your friendship. You made me laugh when I was suppose to cry. You were so beyond your age. Your intellect, your fun charismatic personality was so admirable. Your last text message to me was to wish me a happy birthday.... Today so celebrate your special day May 3rd. You was a true example of a strong dedicated father and husband and I honour you. Your light lives on in your beautiful daughters. Praying for you and your beautiful family. Love Always Auntie Paulette Sewell
