“*Dear Family of Dr. Danute Turcinkas,*

*I would like to express my deepest condolences to you on this very
sad occasion of the death of Danute. I just learned today that
Danute passed away suddenly and I am in the state of shock. I
have been her patient for a long time and have experienced her
wonderful caring and generous heart many times. Her commitment
to help others always touched me deeply.*

*She also made me aware of her love for her family, her daughter
and husband, whom she always spoke about with great affection.
Her sudden death is a big loss for all of us who have known her. I
will always remember her kind and soft voice, and a wonderful
smile.*

*May these heart warming memories bring some healing to your
hearts.*
