“ Just found out about David's passing, its been a long time since I crossed paths with the family but many fond memories back at Dorset Park. David led me to the Lord in the back room after the alter call when I was eight years old back in 1968. I will never forget that moment, thank you Mr Bower.

“ My sincere condolences to Marilyn and family. Dave was a good Christian man who delighted in bringing cheer to everyone he met. I won't forget his generous spirit at Dorset Park Church as one of my choristers and playing soccer together along with his boys. He was a skillful soccer player who also tolerated my amateur skills. Thanks to Marilyn also who was such a pleasant and supportive secretary in my ministry.  
Good bye my friend. The Lord will greet you with open arms.

“ *My Grandpa was someone that you could never feel awkward around. There was never a time where he didn't have something to say or a story to tell. From the Sogmogs to his time as a kid, he always had a way with words that captivated you and made you want to hear more. For me he always made me feel loved and cherished (even when I was in the claw). Sitting on his lap when I was a kid, listening to his wild stories has always been such an important memory for me. I am so happy I am able to have those memories and I am so blessed that they were with him. He always reminded me of how beautiful I was inside and out, even when he began to talk less, it was still something he had to say. He gave me that and his love for my Grandma showed me what true love looks like. I love you forever Grandpa.*
