DAVID CRAIG HAMMOND

August 7, 1963 – September 24, 2025

David, age 62, passed peacefully at Kensington Hospice in Toronto after a long, brave battle with cancer. Thank you to all his caregivers at Princess Margaret Hospital and Hospice for their kind and expert care.

Dave was a kind and generous friend to all, willing to help anyone in need. He loved spending time with friends, listening to live music and vacationing at Blue Mountain with his family. He was a gifted athlete and played tennis at college in the United States. He had a long career in finance and accounting, still helping his clients until the very end.

David was the cherished son of James William Hammond and Anna Dowell Hammond (2021); beloved husband of Miki Hoshina, and dear father to Tyler (Mother Desiree Page Ashworth), Keegan (Mother Beverly Rutledge) and Kye (Miki Hoshina). He was younger brother of Lynda, Jim (1988, Karen) and Susan (Jim) and grandpa to Avery and Carter (Tyler and Lindsey).

His nieces and nephews remember him with love: Phil (Ellie), Anna(Aaron), Dave (Danielle), Katie(Joel), Meghana (Anton) and Kavi (Sophia).

The funeral service is Thursday, October 16, 2025 at 11:30 am at St. George Grange Park, 30 Stephanie Street, Toronto. Gathering of family and friends to follow in the Church's Fellowship Hall.

“ Just found out about your passing. If I'd known you were at the Kensington Hospice I would have visited you there. Your battle these last years fighting your cancer was an inspiration.

You were not only a great accountant but also a bar buddy. You loved your live music and a pint. Too bad we never did get to shoot a game of pool.

Rest in peace friend.

“ I met David through his friend, George - and we three became table tennis buddies. At that time, i was just starting my consulting business, and for the first year, i tried filing my own corporate tax return. I then got a call from a very nice person at CRA who told me i needed professional help. I assume she meant tax help... i knew Davis did personal taxes, and when i asked him if he did corporate taxes, at first he was reluctant to take it on. But he did, and he was my go to guy every year for the next 12 years. We also shared a passion for the occasional ale and a game of pool, so it was always fun to get together to finish my tax return. Good guy to be sure.
