January 21, 2021

David William Ireson

July 19, 1940 – January 21, 2021

We will always remember David dancing to his favourite Ella Fitzgerald song with his beloved wife, Maureen:

Lullaby of birdland whisper low  
Kiss me sweet, and we'll go  
Flying high in birdland, high in the sky up above  
All because we're in love

We love you. Maureen, Vanessa, Jeff, and always - Christopher

“ Sending our love and thoughts to you Maureen, Vanessa and Jeff, at this difficult time. They come wrapped around a myriad happy memories of good times we shared, many of them centred around Beaufort Pool, working and enjoying the BBQs, planning and running the aquatic events, biting our nails through diving competitions, dancing at adult parties, with and without injuries! We still have the wonderful slide show which David kindly put together as a surprise for Rob's 50th birthday. 30 years ago now! We were fortunate to have the Ireson family as friends and as part of the fabric of our community as the children grew. We shall never forget you, your humour and good nature David !

“ To Maureen, Vanessa and Jeff,  
I wanted to take this opportunity to express my heartfelt condolences to you all, on the recent passing of David (Dad) especially during these challenging times. There are no words to express the loss of a loved one, as we know only too well; however, there are all those beautiful and treasured memories of you all as a family throughout those precious years to hold on to. Rest assured that David is now with Chris and I bet they are both enjoying a long catch up together sharing laughter; smiles and of course love. They are both shining down on you all and forever always watching over you.....

Much love: Lisa; Ashley; Connor; Liam and Mr West.

“ In Beaufort our summers were knit together, for years, by the friendships and fun at the amazing swim club. Events of note were the Saturday BBQS and the adult parties, always attended by David and Maureen. One memorable event was the night that both David and I, separately, ended up at the Lakeshore in emergency, David with a ruptured Achilles' tendon and me with a badly sprained ankle. David, with Maureen at his side and myself, aided by Liz Leonard, explained how we both ended up in emergency, and generated such laughter that the emergency crew wanted to go back and join the fun at the pool. David loved fun and friends and his ever present cheeky smile will always be remembered. We shall miss you David!
