

David Gordon Johnston

January 16, 2021

It is with great sadness to announce the passing of David Gordon Johnston, who passed away peacefully on Saturday January 16, 2021, at the age of 72. He is predeceased by his parents Archie and Dorothy (Coomer) and brother Jim (Rip) Johnston by one day. He will be deeply missed by Jay Brown, children Tennille (Sebastian) and Daryl Johnston, and favourite grandson Jackson. My dad was the kindest man I have ever known. He would do anything for anyone if it made them smile or helped improve their day. He was dedicated to his job as he enjoyed working with many great people who became close friends. Dave had a love of sports, particularly baseball and hockey, in which he enjoyed watching and playing, especially with the Old Puckers hockey team. The family would like to thank all the staff at Providence Palliative Care Centre, Lindsay and Nicky from Saint Elizabeth Health Care, and all the close friends who visited and called during the last few months which helped keep his spirits high playing a significant role in his well-being. Cremation has taken place and a celebration of Dave's life will take place once it is safe to do so.

“ I was so sorry to hear the news about David and would like to extend my sympathies to the Johnston family during this difficult time. I knew David from school and from the neighbourhood. Growing up in East York in those days was like living in a small town. A few years ago our paths crossed again because we both belonged to the same fitness club. With the exception of the mustache, and grey hair, he looked pretty much as I remembered him. He always had a smile on his face when we would meet and I always looked forward to our conversations and reminiscences about those days so long ago. Steve Papamarko

“ Tennille, Daryl, Jay ... I'm so sorry to hear about your Dad/Dave. I have my own memories of him from when we were young, from family dinners to cottage visits. I always thought of him as a very special cousin. I remember getting a ride in his GTO, what a thrill that was! It's hard to believe that both he and Jim are gone. Sending all of you and your families much love at this sad time.

“ We were very sorry to hear of Dave's passing. While we hadn't seen Dave in years, we still remember his great humour at family gatherings "back in the day". It was always great talking with him. Thinking of everyone in the family, and his friends, at this difficult time.

“ Dear Dave, AKA "TONTTO

I have a deep profound emptiness in my heart. The Three Amigos are no more for now. No more wonderful weekend trips with The Gang. Cisco and Poncho now sit alone on a bench at St. Jacob's as the girls shop.

Unlimited laughs and happy memories :

...young buddies meeting at the Ritz for fries and gravey in the 60's...loving that Chevy rag top and GTO...Florida trip "sitting on the dock of the bay" fishing and Haliburton bass...James Brown and Tina concerts...slugging dry wall at Danforth Lumber...many years at the rink...

Dave, the hollow feeling of sadness will remain. You are the kindest, gentlest friend anyone could ask for. I love you !!!

Jay, Tennille, beloved little Jackson and Darryl,

Our heartfelt sympathy to you from us. Your love and caregiving saw no limits in Dave's final months, days and hours. Thank you.
