“ Dave WAS "The greatest guy from Oshawa"! My husband was in his unit at Ontario Shores and passed away in May so we got to know him a little bit. Knew he loved Boston Bruins and Bobby Orr...hope he enjoyed the golf shirt from the Bobby Ore Classic Golf Tournament. My family (my Mom went to school with Dave's Mom) and my husband's family knew of your family from St. Gregory's. So sorry for your loss...we know the devastation of this disease to someone so young and vibrant. Cathy (Dalby) Vandermeer

Thank you, Cathy. One of the first people I met after my family moved into the area was Gary Vandermeer, I have fond memories of that time.

“ I only knew Dave for a short period of time when he attended the Clarington Adult Day Program (just over a year) but I will always remember his laughter and his smile. He always tried to make everyone happy. He certainly livened things up and we still mention his name often. My condolences go out to his friends and family. Debbie (Clarington Adult Day Program Recreationist and Van Escort)
