David Brian McDougall

June 29, 1970 – August 29, 2025

With heavy hearts, we announce the passing of David Brian McDougall, affectionately known as Dave, of Oshawa, Ontario, who left us on August 29, 2025, at the age of 55.

Dave will be deeply missed by his beloved wife, Christine, and his devoted mother, Bonnie. He was preceded in death by his father, Brian. He will also be missed by his cherished granddaughters, Alison and Paige and his loving stepdaughter Shari. He is also lovingly remembered by his sisters Shannon, Brandy, and Alisha, as well as extended family and many friends.

He was also the best dog dad to Bandit, who crossed the rainbow bridge in 2022. We take comfort in knowing they are reunited once again.

Dave had a deep love for the outdoors and could often be found hunting, fishing, or browsing thrift shops for hidden treasures. He also loved his sports—whether cheering on the Oshawa Generals, faithfully watching the Maple Leafs in hopes of a long-awaited Stanley Cup, or enjoying a Blue Jays game. Dave was always a devoted fan.

More than anything, Dave cherished time spent with his family. Whether sharing a laugh, a quiet moment, or playing his favourite game of cards, those connections meant the world to him.

Known for his quiet strength, sense of humor, and generous heart, Dave touched the lives of those who knew him. He leaves behind memories full of laughter, love, and the simple joys he appreciated most.

In lieu of flowers, the family encourages you to make a donation to The Canadian Cancer Society or the charity of your choice.

“ *My best friend, my life, my husband. I miss you ever so much. I don't know how to go forward. I miss our rides in the car going no where, the running the roads going to second hand stores and yard sales, the races, or just sitting watching all our shows and so so much more. My life is so empty, our home is silent, and I am shattered. I love you forever and ever. Love Christine xoxo* ”

“ Dave was an amazing person all around. I will miss stopping by his work and laughing together over a cup of coffee. Every time I would see students and staff coming by thanking him for something he had done for them.

Dave made a difference in this world and for that will be sadly missed and remembered.

“ Dave was our amazing D.D.S.B. custodian. The staff miss his great sense of humour, his talented woodworking skills, his fishing stories and his love of sports. The school hasn't felt the same without him. I only had the pleasure of knowing him for 3 years...but he was truly great guy who will be sincerely missed. The school is blessed with little pieces of him shining though in the rustic woodcarving and projects he shared! My sincerest condolences to his family! Rest in Peace Dave! ❤️ 🎣 🪚 🕊️

“ I hit it off with Dave the very first day he moved next door. We shared so many of the same passions — fishing, hunting, gardening, and eating.

Countless times, Dave would message me just to ask if I'd eaten, and more often than not, he'd turn up with a plate when I got home from work late. We were always trading the spoils of our gardens or trading the game meats we'd brought back from hunts.

He was more than just a neighbour; he was a true friend. Dave will be deeply missed. He was the best neighbour anyone could have asked for.

“ Ralph and I will always remember our many times together going to the Country Classic dances and the New Years Eve's we spent together.

I have some pictures of that wonderful smile but can't seem to post them.
