

David Kuan-Sang Wang

April 20, 2023

Peacefully passed away, surrounded by his 2 loving daughters Mandy and Candy, sister Zita, family and close friends on April 20, 2023 at the age of 78, after a brave and courageous battle against cancer in the past 6 years. He put on the amour of God, and trusted God with all his heart, and all his might; never complained on the pain or suffering, and lived everyday with a joyful heart, feeling blessed for the extra time God has granted. David will be remembered in the hearts, of many family members and friends.
