

Debbie Cockerton

December 30, 2022

Our beloved mother Debbie Cockerton (Crocker) passed away suddenly and unexpectedly on December 30th 2022. Our mom was always a vibrant, warm, loving and caring woman to all who knew her.

Even a smile from mom would touch everyone's life in her presence. She was 71 but lived life to the fullest right till the end. She was always on the go and continued to help bring cheer and smiles to all who knew her. Our mom was very much on a spiritual journey to helping others love and learn about themselves. She loved the occasional wine, shopping and filled her home full of beautiful sentimental items. She loved her husband, children and grandchildren and all extended family. She is dearly missed by us all.

Cherished and loving wife to Larry, loving mother to Tammy (Al) Kevin (Paul). Grandmother to Matthew and Noah. Dear sister/best friend of Cindy (Ron), Ed (Marion).

Loved by all her nieces and nephew's.

Predeceased by her parents Edward and Rose Crocker and her brother Timothy.

Celebration of life to be announced at a later date.

“ *How to describe a woman with such a magnitude of beautiful and amazing attributes. A woman who touched me in so many ways and a family that came with her that accepted me whole heartedly. Debbie, you were like a mom to me. A dear friend and a saving grace, many times in my life. The world will not be the same without you in it. I will always remember the laughter, the music, the painting nights, deep conversations, our spiritual journey, the great food and so much more. I will miss you sooooo much and you mattered so much to me as you did to many. I'll love you always. To the family, you have my love and support and always will. I will celebrate Debbie and will do my best to live in her beautiful memory. God bless in love and light. An angel who truly deserved her wings. ❤️*
