“ Mme Donahue will always hold a special place in my heart. She was my French teacher back in high school in the last 90s and I have always wanted to let her know how amazing she was with me. I wish I had reached out to her sooner but instead I will leave this note to whoever might see it. She was not just a wonderful teacher but one of the few adults in my life that really listened to a young impressionable teenage girl. She inspired me to pursue my French studies throughout university and become a French teacher myself. Thank you for shining your light on so many of us. I will never forget you.

“ Deborah Donahue was my French teacher in high school for all four years. I will never forget her and my deepest condolences go to her family. She was such an amazing teacher and is a part of the reason for why I decided to become a French teacher myself. Deb will never be forgotten and is in her family is in my prayers during this difficult time. I will miss you deb!

“*Madame Donahue was one of the best French teachers anyone could have. She was very passionate about her teaching and genuinely cared about her students. Madame watched us grow from grade nine to grade twelve and was with us every year along the way, guiding us not only in French but also in our lives. She took a great interest in each of us, recognized our talents and was so close to us. She will remain close to us still.*

My prayers and condolences to her family. Madame Donahue, we will always remember you and cherish those years and thank you for all you've done for your 2001-2005 class.
