“ Warren, Stacy, Earl and Chris,

*Deb (as I called her) was such a wonderful, kind, loving, caring person and this world has lost such a beautiful lady. She was a rock right until the end and is going to be so terribly missed.*

*When I met Deb for the first time I was still green around the edges being basically a new dart player. She made me so comfortable and at ease and was always so very supportive. She definitely wouldn't take no for an answer when it came to joining her summer darts!!! She was one of a kind!*

*Our condolences to you all. Knowing that she is at peace and not in any pain helps a little with the loss. God certainly has gained a beautiful angel who I am sure will be looking down on us all with that big beautiful smile.*

*If there is anything that Ted and I can do, PLEASE do not hesitate to ask or even just to lean on. We are here for you!*

*All our love,*

*Ted and Sheila Acorn*

“ *Debbie was a great help at a school wherr she volunteered endless hours of her time. This is where I was fortunate to have shared time with her. She will be remembered for her generosity and courage. Each day she came to help out she made life better for others. She will always be admired for her kindness and will power to keep going . She will be greatly missed. My sincere condolences to her family.*

“ *Debbie and I worked together for 2 years at the Ontario Science Centre. She would always make me laugh and we shared many fun days together. Even when she left, we stayed in contact and I'm forever thankful for everything she's done for me and the time we shared. I'll miss ya Debbie! Xo*

“ One may ask Why, why is it God takes all of the great people? I've come to realize he has a plan for these beautiful people once they reach the other side. Debbie, we go back to 1987, I met you for the first time at a dart tournament at the Moose Lodge, from what I can remember there was you, Judy, and Joe there. From that first day I met you I knew you were an amazing woman who had a heart of gold. There have been many great memories along the way, and through all of them I don't ever remember you getting mad. You were a beautiful soul who had nothing but Love for your husband, children, grandchildren, nieces, nephews, and many, many friends. Fly high with the Angels my dear friend. You will always have a piece of my heart, and you will never be forgotten. R.I.P

“ I only got to see Mrs wheeler once a year while playing youth darts with Earl and Stacey, but those weekends were great. Mrs. Wheeler was always so friendly and really knew how to make someone feel at ease. I have always thought of her and her family since those years! I am soar to hear of her passing, and my heart goes out to her family.
