“ *I've known you since we were 14 years old. You were as beautiful then as you are now, girl!! Even more so! It doesn't seem real! God took you far too soon but obviously, he had greater plans for you! Which doesn't surprise me because you were just that special! You will be missed here more than you could ever know but we will all reunite in heaven and have a baton twirling party when we get there!! Your family will be well taken care of DeeBear!! I promise you!! Love you, sis!! Always and forever!! Take care of my Bbear while you're up there, ok!! God Bless BabyGirl!!!! xoxoxo*

“ *A truly beautiful woman inside and out. Loved watching her twirl but loved that she always made everyone in the baton community feel as though were just as special. Thinking of your family during this very tough time. xoxo*

*I knew Dee-Ann from jk to grade 7 until I had to move. We were very close friends. She was always happy and a dear friend and I still remember smile. I have been trying to track her down and then a few weeks ago I heard of her passing. I deeply regret not reconnecting sooner...so many years lost. Keep smiling and keep dancing my dear friend. RIP*
