“*There's a very special garden  
Where the trees of memory grow  
Nurtured by the kindness  
And concern that good friends show.  
The roots are cherished memories Of good times in the past.  
The branches tender promises that souls endure and last.  
It's a place of peace and beauty  
Where bright new hopes can start  
It's memory's lovely garden That soothes the hurting heart"*
