“ *Demetrios Phidias (Jim) Moralis was born March 8, 1931 in Sidirocastrou, Macedonia, Greece. He passed away June 12, 2015, in Toronto, Canada with his son Marc and grandson Jake at his side.*

Jim was the son of John and Sophia Moralis and the brother of Peter Moralis. He married Elizabeth Moralis (Cohen). Michael, Peter, Marc, Paul, Matthew and Selina Moralis, their children, will miss him.

As will grandchildren John and Sophia, Noah and Charles, Katie, Jake, Thomas and Andrew.

Dad had an interesting life. He survived World War II, immigrated to Canada, met and married Elizabeth, had a wild handful of children, coached soccer, was active in Boy Scouts, traveled the world for recreation and worked around the world as a nuclear construction engineer.

A full life

Father,

you will be missed by all of us. Know that we all appreciate how hard you worked for the family.

Love,

Your #3 son

Marc
