

Dennis Patrick Murphy

August 22, 2020

It is with great sadness that the family of Denis (Dennis) Patrick Murphy announces the passing of our loving father in Whitby, Ontario, on August 22, 2020 at the age of 86 after a lengthy battle with dementia. He died peacefully with family members at his side.

Dad was a proud Newfoundlander born on February 15, 1934 in St. John's and was raised by his grandmother Mary Murphy in Portugal Cove. He moved to Toronto in the 1950s. During a return visit, he met Mary Ann Power in Outer Cove, Newfoundland. They married in 1962 and raised their five children in Scarborough, Ontario. He later met and was warmly welcomed by his Hanlon family in 2001, which meant so much to him. Dad and Mom moved to Whitby, Ontario, in 2006.

He built a rewarding career with the International Brotherhood of Boilermakers Local 128 and recently celebrated 60 years as an active member. He worked throughout Canada, as well as on international projects in Chile, Ecuador, Argentina and Thailand, and reminisced often with good friends Terry, Marc, and Andy.

Dad loved family time, holiday dinners and parties, entertaining his grandkids, annual summer trips back to Newfoundland, winter excursions to the Caribbean, Newfie & Country music, camping, woodworking, euchre,

carpentry, classic cars, animals (owning several cats), and his Maple Leafs and Blue Jays. With a twinkle in his eye and a wonderful sense of humour, Dad put everyone at ease and made people feel special. He was a kind, generous, and hard-working man who could fix or build anything that anyone needed, and often did.

He will be forever remembered by his loving wife of 58 years Mary; children Darlene Baron (Nicholas), Brian (Carolyn), Deana (Steve McGregor), Denise Flewelling (Scott), and Kevin (Stephanie); grandchildren Natalie, Emily, Connor, Hayley, Tyler, Carson, Cameron, Hayden, Charlie, Edwin, and Hugh; brothers Frank Hanlon (Marlene) and Denis Hanlon (Valda), sisters Barbara Whitty (Stan), Doris Thorne (Richard), and Regina Jones (Robin); brother-in-law Patrick Power (Sharen) and sisters-in-law Margaret Smith and Frances Power; as well as many nieces, nephews, cousins, and friends.

He was predeceased by his parents Dennis Hanlon and Margaret Murphy; mother and father-in-law Nicholas and Bridget Power; Murphy brothers Edward (Nellie), Michael (Isabel), Lewis (Elizabeth), Peter (Hannah), Ronald (Anne), Leonard (Ursula), and sister Gertrude Deemer (Ralph); Hanlon brothers Patrick (Alice), Gerald (Goldie), and sister Elizabeth Manning (Richard); brother-in-law William Power (Carmel) and sisters-in-law Ann Mahon and Sister Bride Power.

Rest in peace in heaven, Dad, with all your family and friends who have gone before.

The family would like to thank the amazing staff at the Ontario Shores Centre for Mental Health Sciences and Lynde Creek Manor for caring for Dad so well.

A celebration of Denis' life will be held for family at a future date.

Memorial donations may be made to the Alzheimer Society of Canada (<https://alzheimer.ca/en/Home/>).

“ To Mary and all the Murphy siblings. I am Christine, Lewis and Betty's daughter. So sorry for your loss. Can remember when I was a young child and when he came to our home. He slept on the daybed in the kitchen. He did that for a few years then eventually I moved to Toronto in 1971 and visited your home many times, eventually moving back to NL Dennis always came to visit Mom and me every year that he was home. He loved Mom and they always had that special connection. Every year he would visit me, every summer he was home. Next thing I would know the car pulled up in the driveway and out came Dennis and your Mom. Such an enjoyable visit. Missed his visits the past few years as knew he was not well.. Will miss that driveway visit and him for sure. The last time he was home he brought me some baby pictures which I had none. As I was born in Toronto and he some pics. God love him for that memory/ My sincere sympathies to all. Although we are many miles apart thinking of u.

“ I was sorry to hear of the passing of Dennis. He and Mary were wonderful neighbours and friends on Mackey Drive. I recall the happy New Years Eve parties that we shared with them over the years. Greeting the new year is not the same without Dennis. He always had a special smile and greeting for everyone. His caring and generous spirit will be missed. My love to Mary and her family.

“ *To Mary and all the family,*

We are so sad to hear of Dennis's passing. We always enjoyed his visits to our home every time he visited Newfoundland; of course he would just always pull in the driveway year after year as if no time passed at all. He never forgot his annual Christmas card to us and many phone calls throughout the year. He was a true gentleman and we loved sitting and visiting with him. We have missed his visits the past couple of years as we heard that his health had declined. He has a very special place in our hearts and he will be dearly missed. We hope you all find comfort in the cherished memories you have of him as we can attest how very proud of all you he was. Rest in peace Dennis.

“ *My deepest sympathies to Marie and children. Dennis and I met at a job site in 1976. It was my first Boilermaker job, and Dennis was my foreman at that time. He nicknamed me the crazy Frenchman. From that time on , Dennis and I became close friends and worked on many projects together. We also travelled a lot together to many job sites until we retired we made many great memories, for example , sometime when work was done for the day , Dennis and I and a few others would sit over a beer or two and discuss the job ! I know that on this voyage you will have many more laughs. It was a nice to have you has a friend. Bon voyage mon ami. PS say I to Andy from us.*

Thank you, Marc. I know Dad considered you a close friend too and loved sharing memories about Boilermaker jobs in places like Lakeview, Nanticoke, Fort Frances, Terrace Bay, Chile, Ecuador, and many others. I'm sure that Andy and him are sharing a beer somewhere and having a few laughs about those days. I hope you are doing well. (sorry for the misspelling of your name in Dad's tribute; I've asked for it to be changed to Marc).
