

Derrick Dale Albert

December 23, 2024

It is with profound sadness and heartbreak that we announce the passing of our son Derrick Dale Albert, who passed away peacefully at Lakeridge Hospital in Oshawa following a brave battle with cancer on December 23, 2024. Derrick was 48 years old and he was born in Corner Brook Newfoundland on, August 17, 1976.

He is predeceased by his Grandparents Arthur and Christina Vincent, and Grandfather Edlow Albert; his Aunts: Tracy Sheppard, Elaine Park, and Cynthia Vincent; his Uncles: Eric Humber, and William O'keefe.

Mourning his loss are his beloved parents, his mother Roseanne Albert (nee Vincent) and his father Floyd Albert of Oshawa, On., his children Daine, Marlow, Emrey, and his Grandmother Meme Albert. Also mourning are his amazing loving aunts and uncles, Mary Humber, Ellen (Derrick) Dormody, Ruby (Bill) MacDonald, Artie (Mary) Vincent, Bonnie (Jerome) Evoy, Louise (Harold) Revells, Jim Vincent, Judy Vincent, Frank Vincent, Ted (Wanda) Vincent, Nancy Keech, Dean Sheppard (Cecilia), Rodney Park, Brenda Mae (Wade) Gavin, Steward (Susan) Albert, and Darlene (Roy) Chassion.

He will be dearly missed by a large circle of cousins and friends in Newfoundland, Prince Edward Island and Oshawa. Derrick dearly loved his three children Daine, Marlow, and Emrey. They were his world.

He loved outdoor activities including fishing, hunting, camping or just sitting around a fire with family and friends. He loved music especially playing his guitar with his friend T.J. and going to concerts with his friend John. Derrick had a very large circle of friends. The bonds he made were strong enough to last a lifetime.

Derrick had the biggest, kindest, most loving heart there was. His smile would brighten any room and he gave the best bear hugs.

To all his family and friends I just want you all to know how much Derrick cherished and loved each one of you. Soar with the eagles moms man, love you so much. Until we meet again.

At his request cremation has taken place and a private family gathering will be held at a later date.

“ I miss you buddy. It’s not the same. Stemming back to the early 90’s when our friendship was born in high-school, it hurts to know you are no longer with us.

I introduced you to computer video games before the internet was even a thing. BBS’s were all the rage back then and we couldn’t get enough of it.

You introduced me to my first live concert in ‘98, and now I can’t stay away from them. You instilled that passion into me that is still with me today and I will never forget it. I still have that Metallica jersey we both bought at the Molson Amphitheatre -that has never been washed- hanging in my closet. Still has the ‘98 concert sweat in it that I am thankful doesn’t stink. I will always remember that amazing day, along with the thousands of endless laughs and good times we had shared together over the last 3 decades!

You are a bother to me, and always will be. From our youthful backyard parties, late night movie theatres, high-school network hacks, to basement video games, Toronto dance clubs, and random car rides and road tours with no particular place to go, just so we could blare Guns N’ Roses with the windows down, where I honestly thought you were intentionally trying to blow your tweeters or my eardrums it was so high, I always knew it was going to be an awesome day.

I have never seen a person who can creatively string more speaker wires together like a copper web in your parents basement “to make the music louder”, that it would put Spider-Man to shame. If there was an extra speaker, it got connected.

There was nothing you wouldn’t try or do. A fearless beast and everyone knew it. And I couldn’t be more proud to call you my friend. Like I said, I miss you bud. So much. But I know you are in a better place and one day we will all meet again.

Rest in peace dear brother. But knowing you, you’re probably already turning up the heavenly trumpets to 11. There’s just no stopping you. And that’s what makes you so amazing.

So I’m gonna say... Rock in peace, Derrick! You’ll never be forgotten.

All my best. Lots of love to you and your family. You’ll always be in

*my heart.
Your good friend,
Johnny P.*

“ What a shock to hear of your too early passing Derrick. Many fond memories of you and Nathan joining us for backyard barbecues. Paul Bunyan himself still talks about that summer many years ago, when you chainsawed our driveway full of wood logs and then proceeded to hand split the lot. Epic! May you rest in peace. Deep condolences to your family on their great loss.
