“ I am sad to hear about Diane passing away. She was a first cousin to me. I had met Beverly several times when we were children and recently had exchanged a few emails with Claudia. I did not know Diane, which I find a very unfortunate circumstance. Some family dynamic from many decades ago that I do not know about seems to have interfered with all of us not being closer. It is obvious that Diane was well loved. I am sure her family will miss her greatly.
