Beyond the Dash

Your Hug Meant the World to so many
Nobody else could hold us so tight
Or made us feel just right
No one's eyes shined so bright with love
As you mom, who is now high above.

The heavens have gained a sweet feisty angel but the world lost a beloved mother, Nana, Aunt, sister and friend. Dianne Miriam Winnifred Bryson (nee Soper).

On June 26th, 2023, Dianne (Dee) passed peacefully in her sleep with her family lovingly by her side.

Dianne may have lost her battle with cancer, but it never stopped her from giving out the best hugs and words of wisdom right till the very end.

Dianne was born in St. John's Newfoundland on May 27, 1947 and was an avid fan of many sports. A true love of bowling had brought her so many amazing memories, travel and the best people into her and our lives. A family that is so large and full of love that can only be understood by the ones who share the same love if you know, you know. Her love for the all the boys in Blue, whether it be the Toronto Maple Leafs, Blue Jays, Argos or the New England Patriots will forever be a part of us. At 7:30 on any given night, you could be 100% certain that she would have Jeopardy on the TV answering the

most difficult and bizarre questions which I am sure she will continue to do with her brother, aunt and mother in the world beyond the dash.

Loving mother to Jim (Anna Maria), Michelle and Michael (Denise).....

Best friend, confidant and father of her children Larry

Devoted Nana to Kayla (Rob), Nicole (Taylor), Dustin, Aaron, Kathryn, Sarah, Faith, Caleb and Declan.....

Sweet Nannie to Benjamin, Charlotte and Meredith.....

Cherished Auntie to Elissa (Chris), Pamela (John), Paul (Robbin), Crystal (Nikki) and Clayton....

Great Auntie Dee to Niko.

Sassy sister to Gary and Paul (predeceased).

And a dear friend and "Mama B" to so many.

Friends and family will be invited to a celebration of her life at a date to be determined soon.

“ Dianne could always make me laugh. She was a work friend for more than 20 years, and although we rarely saw each other, we kept in touch often. She made sure she always sent me the latest pics of her grandchildren - she was so proud. And she also made sure she told me off if we sent documents in for printing that weren't set-up properly. A lovely, funny, compassionate person who didn't deserve to be gone so soon. I'll miss you Darlink!
