

Mr. Dillon Richard Kenney

April 10, 2017

In Loving Memory of Dillon Richard Kenney, 82 years. Passed peacefully at his Toronto residence Monday, April 10, 2017. Beloved partner of Garry Campbell for 43 years. Dear son of the late Willis and Beatrice Kenney of Sudbury. Loving brother of Carrol Anne Haynes (Barry) of Albuquerque, NM. Special uncle of Sean and Shannon. Survived by many cousins and relatives in the greater Sudbury area. He will be remembered by many friends throughout Canada and the US for his love of life. Dillon deeply treasured friendships, engaged in authentic and inquiring conversations, and valued the emotional connections with so many. A loving, kind, strong and gentle man who will remain forever in our hearts. At Dillon's request, there will be no visitation or funeral service and cremation has taken place. A celebration of life will be announced at a later date. Special thanks to the palliative care team from the Temmy Latner Centre for their oversight and care these last two weeks and gratefulness for the provision of MAID with the caring support of Sandy Buchman & Josh Wales. As an expression of sympathy donations may be made to Canadian Cancer Society or a charity of one's choice.
