In Loving Memory

Dimitrios Kabitsis

March 31, 1932 – April 26, 2025

With heavy hearts, we share the passing of our beloved father, Dimitrios Kabitsis.

Born in the small village of Sarakinado on the island of Zakynthos, Greece, Dimitrios began life in humble surroundings but went on to live an extraordinary journey. A lifelong learner with a passion for exploration, he traveled the world, embraced new cultures, and became fluent in six languages.

In 1959, he made Toronto home, where he married, raised a family, and built a life rooted in love, purpose, and perseverance. Together with our mom, he raised three children and passed on the values that defined him: integrity, compassion, and the courage to always stand up for what's right.

Dimitrios was a true humanist—he believed deeply in the dignity and potential of every individual, regardless of background. He lived by the principle that we all share a common humanity, and his actions reflected this every day.

Whether helping a neighbor, supporting a friend, or advocating for justice, he

always led with empathy and respect.

An entrepreneur, founder of many organizations and tireless advocate for others, he left an indelible mark on everyone who had the privilege to know him.

He leaves behind his three children, their spouses, and seven cherished grandchildren, all of whom carry forward his legacy with pride.

We are heartbroken, but deeply grateful—for his love, his wisdom, and the extraordinary life he lived.

We celebrate a life filled with love, adventure, and a commitment to making the world a better place. He will be deeply missed but remains in our hearts forever.

Rest in peace, Dad.

There will be a private family service, where Dimitrios will be laid to rest in his home town in Zakynthos, Greece.

In lieu of flowers, the family requests donations made to Heart and Stroke Foundation in his honour.

“ We express our deepest sympathy to the family. Dimitrios was a great man and touched our lives as well! He helped us to take courage and embark on huge mortgage to buy our condo apartment. He gave us a loan for down-payment as well and convinced us to buy an old cheap car, our first car in Canada. We used to have coffee breaks with Dimitrios in East York Town Centre, which we call now Dimitrios Mall. Thank you Dimitrios, we will never forget you!

“ Of course — here's a more heartfelt and prideful rewrite of your message:

This image of Dimitrios (Jim) Kabitsis, captures just one moment of a lifetime spent in service to others. He was always in motion — leading, contributing, and standing shoulder to shoulder with others in the fight to improve the lives of working people. His dedication was unwavering, his energy seemingly endless, and his belief in a better, fairer world deeply rooted in everything he did. We carry immense pride in his legacy and the countless ways he worked to leave the world better than he found it.
