

Donald Bell

November 3, 2022

With great sadness, we announce the loss of Donald Bell. After a difficult year fighting cancer, Don passed away peacefully at the age of 64 at Michael Garron Hospital in Toronto surrounded by his loving family on Thursday November 3rd 2022. Don is survived by his loving wife Tonnie (Maria), their children, son Jeff and daughter Michelle, his son-in-law Allistair, his brother and sisters, in-laws, nieces and nephews and cousins.

Born and raised in Lethbridge, Alberta, Don moved to Toronto in 1978 to pursue his music career. In his early years, he started drumming with Lilian Zlamal, Manon Luxenburg, Bob Johnson and Douglas Virgin known as Skyliner. They formed friendships that lasted a lifetime. Also, for many more years, he enjoyed drumming for “Dave Whalen and the Starlite Band.” Although music was his passion, Don also worked numerous day jobs to help support his family. Don married Tonnie in 1992 and had 30 wonderful years of making lasting memories. Together they travelled to the Netherlands (wife’s birthplace) on numerous occasions. He fell in love with the country and even took it upon himself to learn the language. Don was a role model to his kids and an amazing father figure. He loved his children unconditionally, encouraged them to follow their dreams, and helped them believe they could achieve anything. Don was a rock of stability and a source of strength for the whole family. Don was best known for his selflessness, his love of music and his dry sense of humour. Those who knew him considered him a true

gentleman. Don will be missed but never forgotten by those who loved him.

On behalf of our family, we would like to thank everyone who sent their condolences. We have received countless phone calls, texts, flowers, meals, visits and thoughts and prayers. They have been very comforting during this difficult time and have been a reminder of the impact Don had on so many others. Don was firm on his “no funeral, no service” wishes. We encourage everyone who is missing him to gather with family and friends, raise a glass and remember the good times you shared with Don.

The family would also like to thank the hospital staff at Michael Garron Hospital for Don’s care in his final days.

“ Just found this after Don didn't answer my Xmas text. Don was hands down the greatest supervisor I have ever worked with. We worked at Brunswick Bierworks together for about a year in a very tumultuous time in my life, and he was able to get me through it. That was only two and a half years ago, and it's very hard to accept that we won't be having a beer together any time soon. Question for the family, where is he buried (if anywhere)?

Don was such a wonderful man and I was so happy for Tonnie when they met each other and fell in love. They were a great couple together and very supportive of each other. Don's passion was playing the drums and he did it every weekend but they also traveled together. He was a wonderful father to Michelle and Jeffrey. He never had a bad word to say about anybody and was such a gentleman. Anyone who met Don liked him, he was just that kind of guy, one of the good ones. We will miss Don and I feel privileged to have known him. My deepest condolences to Tonnie, Jeffrey, Michelle and the their families. Don will be forever missed but not forgotten.

“ I met Don in the music program at Humber College and shared a condo rental with him for a time. I couldn't figure out how he could eat so much pasta and yet never gain weight. We would talk about life as a gigging musician and how tough it was to make a living - Don would often say to me "I just want to play drums". And he did. Very, very well.

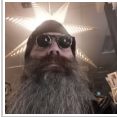

I've met only a few so easy going and so deserving of a beautiful family. Over the years I didn't see him often but when we did we could pick up without missing a beat - no surprise. Our Charlie Watts of the Great White North - solid tempo, solid man - proud to call him a friend.

Don and I would talk about Humber when he would help the stackers at the brewery. It was so great to reminisce. I am going to miss him.

“ Hard to announce the passing of my Dad Donald Bell. Not my dad by birth but truly the dad I needed in life. The smartest and most selfless man I've ever known and losing him and the ability to turn to him for anything hurts the most. He was my rock. He was my Don Don. Love you more than more ❤️

such a shame that Don has lost the battle against cancer, but on the other hand also glad that he was spared further pain. Don was a loving person to others, sometimes way too sweet... We will miss him and Tonnie, know that we are always there for you, always! Rest in peace Don and Tonnie, my deepest condolences on the loss of your loved one. Lodewijk & Margit
