

Mrs. Donna Mae Ward

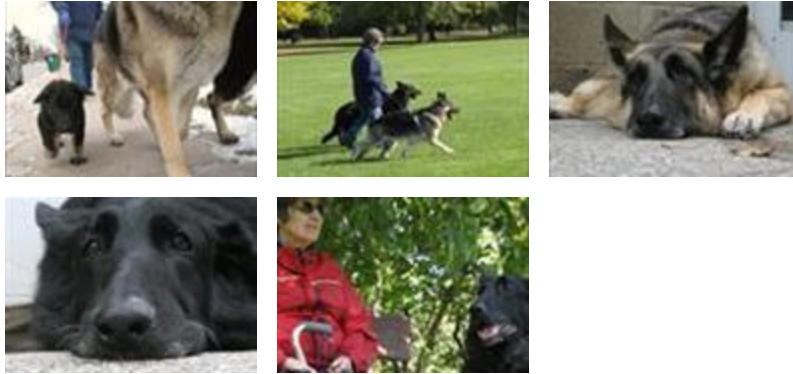

October 20, 2013

Passed peacefully on Sunday October 20, 2013 after a courageous battle. Much loved wife of Raymond, devoted mother to John and Linda. Cherished aunt to Patricia and Heather. Predeceased by brother Gordon, father John (Mac) and mother Viola Mae McAuley. Her life was a testament to those who put others before themselves. Winning battles for an autistic child was followed by the joy she received as Pack Leader to an endless stream of her beloved pets too numerous to mention. Donna has no doubt already worn a path with her beloved dog Ally in the finest park of all. In lieu of flowers, donations to 'Shepherds country haven' would be in keeping with Donna`s wishes.
