“ Doreen was a big sister to me. She worked for my Mom MariLynne Abbott at the Credit Bureau of Greater Toronto along with her sister Norma and her Aunt Jean. Mom asked her to babysit one night when I was just seven and I've known ever her since then. She taught me how to play and laugh and sang to me at bedtime. She taught me how to be frugal with money! And let me live with her more than once. She was a loving lady with a big heart and she will be deeply missed. I hope she is at peace and happily reunited with Her Dad, Mom and Norma! Jordanna

“ Doreen was my first boss at Corpus when I started working in the publishing industry as a summer student. Together we expanded and updated the Associations Section of the Corpus Almanac of Canada in 1972. At Corpus, we had a friendly, tight-knit group who would often get together for drinks after work at Chez Moi. The social part of the relationship continued every now and then after I left Corpus in 1978. Doreen's laugh was unforgettable, and she could tell as story like no one else. She will be missed.

“ I was so sorry to hear about Doreens' passing but now she is in a far better place and is no longer suffering. We had been friends for many decades and went to Greece and Mexico together. I have tried to keep in touch with her over the years and we did manage to meet for lunch with some of her other friends on several occasions but she was unable to meet us a few weeks ago due to ill health. I will remember her fondly and have lost a long time friend. Condolences to her sister and all other family members and friends.
