“ *What a wonderful woman!!!!
Always Mrs. Sharland to me (as I called her in my youth), she was an amazing role model to so many of us young ladies at Kew Beach United Church. Her contributions and generosity as Explorer Group Leader and her continued interest in my life whenever we bumped into one another was always so kind & genuine. A nicer woman, you couldn't find. Thank you to the entire Sharland family for sharing her with us. She put so many smiles on my face, and right now a big smile goes out to her from me!

“ *"From looking after me while Jake was being born, afternoon tea on your porch, the neighbourly "hi" that turned into a 30 minute conversation to the safety and comfort you provided to the entire street- you will be missed. R.I.P. Doreen Sharland.. In my heart and in my mind forever." Leah Gibbons*

“ To the large and wonderful Sharland Family including Gord Swayze: We have lovely memories of a lovely woman who, as was stated, inspired many with her kind ways and leadership in so many roles. Doreen was a proud wife and mother and delighted in all of you. She seemed to always have a smile and enjoy her life. May your wonderful memories of your mom and your loving family bring you all great comfort.

“ My thoughts and prayers are with you and all the family at this time. May all the memories and stories that you hear from friends and relatives today bring you a peace within that passes all understanding. May the loving presence of our Lord surround you now and for the days ahead. In Christian love, Donita.

We go way back to Crown Park where our grandmother lived beside the Sharland's. Doreen would let one of her children stay at her house to be she was safe and secure. They enjoyed the peace & quiet and Grandma enjoyed the company. And Doreen had great babysitters for our kids! Doreen was always smiling and a good thought for all. To all her family and to her good friend Gord Swayze, our condolences. The end of a great life well spent!
