“ Doris and I were neighbours on the UG floor in the our apartment building on Roselawn Ave. We were part of group of 4 on the same floor and because our apartments were on UG we called ourselves the UGGERS. We ranged in age from 65 - 85. We had so much fun together and Doris was was the heart and soul of the group. I miss her very much. She was a very special lady.
My condolences to the family,
Freda Rosengarten

“ Robert & Barbara, Doris was always a good friend through many years to my later Mother (Mary Blackstock). I have many good memories too, including her helping me get my first corsage for my first formal in high school on. She was always happy to see you and I'm grateful she had a good long loving life.

Dear Barbara, Rob, Simone and Julia,. I am glad Doris came into my life, when Barry passed, and she supported me through my loss, I am very grateful to her and having Maisie in my life and paying visits to her every other week, it was like having an Aunt. Seeing her smiles and I just loved her voice and charisma. The last time I spoke with Doris, we both said how we missed Maisie. She is doing well and with a loving family in Toronto. Mon ami, thank you Michelle Mansano. 514-415-4066
