

## Mrs. Dorothy Amelia Currie

May 8, 2012

Passed away peacefully at Toronto East General Hospital on May, 8, 2012 at the age of 89. Dorothy was one of a kind. She loved movies (her favourite was Laurence of Arabia) and animals. In fact, she often preferred them to people. She hated cooking and cherished her independence. Dorothy had strong opinions, usually expressed in her unique and colourful language. She will be dearly missed by her children Alex James Currie and Susan Elizabeth Brodie and her granddaughter Leigh Christine Brodie. She is survived by her brother Ivan and sister Evelyn. A memorial will be held on June 2, 2012 at 2 pm at 97 Dunn Ave. Donations to the Humane Society in her name would be appreciated.

“ *First to the family, especially her children I send my love for you must miss her so much.  
Dorothy, I know you're in a better place and my guess is you're already stirring the pot.  
I thank you for the times we would cross paths. I enjoyed talking with you in the lobby of the Bloor. You were bigger than life and always a pleasure to be around. You were never shy to call them as you saw them. I know all of your opinions as colourful as they were, came from a good place. You were a star on my big screen of life - a true character! It was a blessing to have known you. The world needs more like you. God's love, Carm*
