*“ I would like to send my condolences and prayers out to your family during this sad time. I had the pleasure of living at Swift Drive, a place that was truly home due to the care and dedication of Dorothy. It was home and she was like family. I always looked forward to little chats with Dorothy when I saw her; straightening things out, decorating for special occasions, tending her garden or just having a good chin wag with her many friends. I will always remember Dorothy's warm smile, kindness, integrity and great strength. It was such a pleasure to know such a wonderful woman and I will miss her. I wish you a peaceful journey Dorothy and God bless you.*

*When I was a kid I remember going to Aunt Dotty's place where we had fun. She was so kind and very respectful. Aunt Dotty will be missed dearly by all of us. Now you are our angel watching over us. We love you. May you rest in peace.*
