“ I'll always remember the first time I met you, eight hours shopping at the mall. You greeted me with your smile and your firm handshake. Always dressed in khakis a golf shirt and your white dancing shoes you could never be with out. You welcomed me into your family and always treated me as one of your own. Your kind heart ready smile and sense of humour and giving nature are just a few of your amazing qualities. You raised an amazing family as only you could do. I will always remember our times at the kids soccer games, fun times at the beach and family get togethers. You will be greatly missed by all. It's still hard to believe that you were taken from us so early, but now you are in a better place, although you are our loss you have made heaven a better place. To be with Gail and your mom once again. We miss you everyday and will always hold you close to our hearts the memories we have with you will last a life time. Today we will celebrate the life of Doug McGee we miss you!

“ I always remembered Doug to come to Kmart almost every day to have lunch with his wife Gail. Such a wonderful man. My sympathy to the whole McGee family. Doug is now together again with your mom Gail. He dose not have to suffer anymore.
