IN LOVING MEMORY

Doug Minke of Toronto, passed away peacefully in his 77th year at Hillhouse Hospice in Richmond Hill, after battling cancer for the past two years. Beloved father of Douglas Minke Jr. (Stacy Hammett), Jennifer Daoust (Bill) and Candice Hughes (Sean). Loving grandfather to eight grandchildren. Dear brother of Dave Minke and Lynne Tate (Ron). Dear uncle to James Pickering (Katie).

At Doug's request no visitation or services will be held. His family recently celebrated his 76th birthday and life with him. Doug fought this disease to the end defying medical logic at times.

His family will miss him greatly, but are comforted that his suffering has ended and he has reunited with his father, mother and younger sister Faye, that have passed on before him.

Doug was a huge Toronto Maple Leafs fan and a car lover, having owned 4 vehicles at one time (F-150, Trans Am and two Mustangs), but those that knew him best would say he was not the best driver.

In lieu of flowers, donations can be made to Hillhouse Hospice <https://hillhousehospice.com/>

Please feel free to share your photos, memories, and tributes of Doug as we remember him.

“ *Dad, it is hard writing something when you are at a loss for words. I will miss you so much. Your silly laughter and sense of humor, it's hard to think that I won't hear it again. I wish I had a picture of us together, but sadly I don't think there is one. I will always love you, I will miss you, and one day we will see each other again.*

“ Lots of memories, our home and dinner table is certainly much quieter. Happy to have gotten lots of pictures of all the men in my life together. Happy the boys are old enough to cherish the memories forever.

Lots of dinners at our table but the best memories are when we played games. The kids taught Grampa how to play president and he had no problem remembering the rules when he was president but quickly claimed to have no idea what was going on when he was bum! For anyone who doesn't know the game, when you are president you give your two worse cards to the Bum and the Bum has to give you their two best cards. As his memory got worse the selective aspect continued so he hallways kept us on our toes but we mostly tried to just laugh it off.

Happy we had the opportunity to spend so much time together over the past two years and you are dearly missed!
