“ It is with great fondness that we will remember Eve, Sister-in-Law to Joyce and Auntie to Howard, Alison, Carol & David. When we spoke on the phone she was always so cheerful and enjoyed catching up on family news from England and proudly shared news of her family in Canada. Luckily her brother Bill and Joyce were able to share several holidays with Eve and Bill throughout their married lives.

The wonderful memories of Eve will help us to celebrate her life.

“ I have wonderful memories of times spent with Eve over the years, and of her special friendship with my mother, Mary Rogers. She was an important part of our lives when we were growing up in Leaside. Over the years, her great joy was her involvement with children which was displayed in her devotion to her grandchildren, her many years of volunteer work, and her interest in my children and grandchildren, along with many others, I'm sure.
