

Edith Ernestine Taylor

August 7, 2024

It is with great sadness that we announce the passing of Edith Ernestine Taylor, age 93. Erna, or Ernie as she was called by family and dear friends, lived a life full of love, adventure and profound service to her community.

Erna's love of words and writing led her to a lifelong working partnership and friendship with Terry Nicholls. Together, their company Tern Graphics became a well known business in Oshawa.

Following in her father's footsteps, Erna spent most of her spare time dedicated to the Kiwanis Club of Westmount (Oshawa). She not only led the organization as President but also volunteered countless hours raising funds for local organizations as well as reading and preparing lunches for local elementary schools.

In addition to her community work, Erna had a love for traveling. Over the years, she explored many parts of the world with her favourite travel companion, Ted Curl, whom she married in 2004.

One of her greatest joys was spending time with her family, especially around the dinner table, where countless memories were made over home-cooked meals and laughter-filled evenings.

Erna will be deeply missed by her dearest friends and extended family, Chris and Marc Wokral, as well as her life-long friend, Bernice Johnston, and fondly remembered by her step children Kim and Kelly as well as their spouses David and Vivian and her step-grandchildren Keller and Riley.
