“Edna was such a lovely woman with a heart of gold. She would make you laugh and cry and then she would look at her watch and wonder where the time went. She was having so much fun with the ladies from bowling. How she would light up with her beautiful smile knowing that time for bowling every Friday morning, was so precious to her. Edna never complained about anything and she would go out of her way to do so much for others. She was the youngest of her siblings and knowing her and her family for over 35 years was so precious to us. Edna and her sister Millie, I and my mom would go for the day to Niagara on a Monday and what a wonderful trip we would have. Not long ago, I remember when she told us that she was going to see her favorite singer, she was so happy and the smile she had on her face was priceless. She was like a school girl going to her first concert! Life gives us brief moments with others...but sometimes in those moments we get memories that last a life time. Losing someone we love is nothing easy, but knowing that we have been able to be a part of the life of Edna, we can realize that we were blessed to have been able to share in her the laughter and tears. We miss her when something really good happens, because she was the one we want to share it with. When something is troubling her, we understood. We miss you when we laugh and cry because we know that you are the one that makes our laughter grow and our tears disappear. We miss you all the time, but we miss you most when Friday morning came and all the wonderful times you spent with Sandy, Elsie, Alice and even myself for those were some of the best times spent. You are always in our thoughts and prayers and you will be sadly missed. We love you Edna! Love Maureen, Elsie and Alice and all our entire family.
