“ I just saw the notice in the newspaper today (Aug 13), we took Ted out for lunch on July 24th to Swiss Chalet in Scarborough and had a great time - we talked about his family and all the good times we shared together. Ted was a great friend to my mother for many years, Edith Becigneul and her sister in law Kay Becigneul. We had Ted often to dinners at our condo in Etobicoke as well up to Collingwood to stay with us so he could visit his relatives in Clarksburg. He loved to tell jokes and little sayings, the last one which he gave us we just used recently on dinner guests. I am so sorry for your loss, I hope that he went in his sleep - we had visited with him the last time he was in hospital. Ted was a great man and a good friend!
