“Dad.....Its been a long time. I know things haven't been easy for the both of us. I'm now just finding out that you were asking about me.If I would've known sooner.....maybe things didn't have to end this way. I just want to let you know that despite everything, I did care and love you. I know you tried your best with us. My heart is broken that I never had the chance to say goodbye and make peace. But I do trust God and know you are watching over us. I will always remember the good times...going to the farm, the trailer, fishing, collecting fossils, hunting, walking the dogs and going up to the cabin. You will be missed and I really wish things didn't end this way. Love you and God bless. Now you can rest in peace with no more pain and suffering.
