

## Edward Arthur "Ted" Tibbles

October 30, 2020

With heavy hearts we share the passing of Ted Tibbles, born September 20, 1928, at the age of 92, on October 30, 2020. For 64 years the devoted husband of Patricia (nee Leggate) who left us in 2018.

A direct descendant of Scarborough's first European settlers David and Mary Thompson, Ted remained close to his "Scarboro Junction" roots. He and Pat were active members of the Church of the Master. He was known to many a boy as "Scouter Ted" with the 8th Bendale troop. His work ethic served him well at Manulife for 25-plus years, the United Church of Canada and Montreal Trust.

There was an ever-present love of place, people and country. The family criss-crossed Canada in their old tent trailer stopping at every blue marker along the way. From Pat's home of Burk's Falls to North of Superior, his was always the last line reeled into the red canoe at dusk. After retiring to Foxboro Green in Baden, he built and flew radio controlled aircraft with the new Hamburg RC Club.

Such a straight up, honest, decent man.

Despite a stroke, he remained upbeat and positive, residing at the Village of Taunton Mills in Whitby. Our family extends much gratitude to residents and

dedicated staff who were not only caregivers, but friends. Nieces and nephews always held a special place in his heart.

Ted was predeceased by his brother Bruce and sisters-in-law Norma and Irene.

Dad-Grandpa-Papa will be dearly missed by Kevin and Marie-Andree (Andreas and Marguerite), Blair (Aurora and Avalon) and Jan Graham, Susan and David Sharp (Marla and Jacqueline). Ted's final resting place will be with the love of his life "Patsy" in Burk's Falls where married life began. A remembrance will be held at a later date; until then...please be kind to others.

“*Ted: Both my husband Peter, and I, were extremely sorry to hear about your dad's passing. We met Pat & Ted when we moved into Foxboro Green, where we still live. They were a great couple, and we enjoyed their company very much. They were both so friendly, and quite quick witted, and we often talked to them if we were together at someone's house, or down for an event at the Rec. Centre. I think we met you once, but your career took you to many places far and wide. After your dad's stroke, we were extremely sorry that they moved away, even though we knew they were going to feel more comfortable being closer to family. We know that you and your family will carry many positive memories of both Pat & Ted. Our sincere condolences.*

“*Mr. Tibbles always struck me as the strong, silent type. By contrast Pat never shied away from a good political argument even though she was unfailingly gracious. Mr. T. was much more reserved. Guess it had something to do the family lineage which I did not know about before reading his obituary. Condolences to all on your loss. Keep his memory alive.*

“ I will always remember my Uncle Ted for being such a special outstanding man, he was one in a million ❤️ He earned the respect of many who knew him, and I was so proud to be his neice. His kind ways and cheerful personality shone through, regardless of what life brought his way. When I think of his love for my Aunt Pat and his kids , it makes me smile. Aunt Pat & Uncle Ted were my Godparents, they made me welcome like I was one of there own. I will never forget that.

RIP Uncle Ted, you are missed already by so many ❤️ xo

“ Back in the day, Ted worked with me at Montreal Trust. He was first and foremost a gentleman, and was known as a leader and mentor, and more importantly, a friend. His love of and pride in family were clearly evident in everything he did. Our condolences to the family
