“ I asked Elaine out for English tea and she said she would love to. We had a great time and when we left she got a cab to go home and I, gave her my first kiss. It was on the cheek of course but I knew we were going to be together again. 21 years living together, 11 of them married. I was the Luckiest man in the world to be able to share my life with the most Beautiful, Loving and Caring women I have ever met. Thank you Elaine and God Bless. Your husband
