Eleanor Farkass
(1935-2024)

Born Helen Eleanor MacKay, but know to many as « Charlie », she passed away peacefully on October 5, surrounded by family. She was predeceased by her beloved husband George, by just a few weeks. Charlie lived a full life, spending much time traveling, enjoying the theater, ballet and many adventures aboard Amapola. She also impacted many students during her years as a high school principal in Scarborough and will be missed by so many who enjoyed her company and « joie de vivre »! A private celebration of Charlie's life will be held at a later date.
