“ I was fortunate to share Betty's love; as a child Betty babysat my siblings and I. Some of my most memorable days were spent on Sutton Ave, always a hearty laugh, great food, compassion (in the traditional down home way) the best tips for curling your hair and becoming Beautified in a matter of minutes. Such a beauty she always was. Thank you for sharing your heart and home with me. Lily, Donna, Cindy, Joanne, Paula and extended family, my utmost sincere condolences to you at this time. Praying for strength, as you and your loved ones are faced with this painful situation. Huge hugs and love ladies. Betty soar in peace, and thank you for being you!
