

Ms. Elizabeth Ann Campbell

March 5, 2016

Elizabeth Ann Campbell was born in Orangeville, Ontario on January 25th, 1934 and died peacefully at Trillium Mississauga Hospital surrounded by her family on March 5, 2016. Beloved mother to daughter, Trish Jones (Campbell) and son, Jamie Campbell who preceded her in death. (1959-1999). Loyal and loving Grama to Tiffany Campbell Scifo, Candace McDowell, Stacy Campbell, Alex Campbell, Cheryl Melino, Michelle Campbell and Timothy Jones. Beloved sister to Jean and Bruce Andrews and family. A single mother in the sixties she worked hard to singularly provide for her two children. Then, went on to be the rock of the family, providing a home for many of her grandchildren, and was always there with an honest word and unconditional support. She wasn't your typical soft spoken grandmother, but rather honest to the core and never held back her wisdom to benefit the family. She loved beautiful clothes, jewelry, sports cars & going out to dinner. Every spring she planted the garden growing tomatoes which she enjoyed every morning for breakfast. Her favorite music spanned across many decades from Frank Sinatra, Barbara Streisand, The Beatles, Rolling Stones, Santana just to name a few. She enjoyed travel and always said that the Island of Kauai was foremost in her heart. Bette, as her close friends called her loved animals and rescued many pets over the years. This love for animals she passed on to her children and grandchildren. Home just wasn't right without a dog or cat to take care of.

Bette worked at BASF Canada in Toronto as a Human Resource Manager for over 30 years until her retirement.

Her family gathered for a celebration of her life on March 6th to share their memories of their beloved Mother and Grama.

We love you more than words can possible say.
