Hi Dianne, Thank-you for your tribute, mom's Memorial was lovely yesterday. I did manage to get some video, although my camera battery failed and I only got my introduction to the guests that came. My good friend Jolita took several pictures which I will post and send.

“ *I miss how my Nan would always make me laugh, with all of her cute Aussie humour. I feel as if the world is a little less bright without her soul with us. My heart hurts not hearing her stories or listening to her wisdom. It is a fact that knowone is perfect in this world. Yet, my Nan was an angel and I miss her daily but my heart feels a little better knowing it was just time for her to go home. #heaven #miss nan#strength#love*

“ Robbie was one of the most amazing people I ever had the honour of knowing. Through the years of knowing her, she was always kind and loving. She loved baseball, traveling, and most of all her family. I consider myself lucky to have know such an amazing person. She may be gone, but she will live on in the hearts of all the people that loved her.

Rest in Peace Robbie, and now that you were loved by a lot of people.
