“ *Frances - I have many fond memories of your mother. I was trying to contact her without success when I found this notice. So sorry to hear of her passing. I have some pictures that my mother took of your family- my Uncle George and Aunt Pearl and your mother's generation and some of you and Tom. I would be happy to mail them to you if I had your address. Walker Schofield , 16 Redford Road , LONDON, ON N5X 3V5
