

Enzo Antonio Simone

December 27, 2020

In Loving Memory of

Enzo Antonio Simone

March 29, 1958 – December 27, 2020

It is with heartbreaking sadness we announce the passing of Enzo Antonio Simone on Sunday December 27, 2020 at Baycrest Hospital. Enzo fought a valiant battle with leukemia and never wavered with his positive attitude. Born in Toronto, Enzo had a long career with the Toronto Transit Commission. He loved spending time at the cottage, travelled and enjoyed life to the fullest.

A beloved son to his dear mother Margherita Simone and father Ernesto Simone (predeceased). A loving brother to sister Lydia (Roy) and uncle to Derik, Steven, Kody. Beloved father to Stephanie Mackay and a devoted loving husband to wife of forty-one years, Georgia Kathrain Simone Boyd (predeceased).

Enzo will be greatly missed by all his loving extended family and dear friends, both near and far. His kind, fun-loving, generous and considerate nature will be forever imprinted in our hearts and minds.

Rest in peace dearest Enzo until we meet again.

Always and forever...

In respecting Enzo's wishes, no funeral service will take place. A memorial will be held at a later date. We thank everyone in advance for their thoughts and prayers. We are grateful to the doctors and staff to both North York General and Baycrest Hospitals for the excellent care Enzo received. In lieu of flowers, donations may be made to the Canadian Cancer Society.

“ I am very saddened to hear of Enzo's passing. We were co-workers at the TTC and worked together for over 10 years at the New Eglinton division. Enzo was a kind and quiet person who always said hello, had a conversation, always with a smile. A very dependable person to work with and manage. My condolences to family and friends.

“ Dear Aunt and Lydia.

It is with great sadness that I was told that our dear cousin left us too early in life. The memories he has left behind will last in all our hearts. I always raise a brindisi for us on March 29th on our birthday. I will continue to do so in order to preserve a memory of a happy person, even though he must have suffered in silence.

“ I was one of the people who had a chance to get to know Enzo during the time I lived in Canada. I can say that Enzo and Georgia were like family to me. The conversations we had, laughs we shared, positive attitude, these are just few of the things I will never forget. Enzo enjoyed and appreciated little things in life, I don't think I ever saw him without a smile on his face and that is exactly the way he would have wanted to be remembered. You may be gone from our sight, but never from our hearts.

To Enzo's family: May my condolences bring you comfort and may my prayers ease the pain of your loss. Love, Alex.
