“ *There's lots of memories I have of my nannie, very positive and very helpful lady. Would do everything she could to help anyone. Never heard anything negative. Will be greatly missed and forever loved, as she returns to her loving husband (say hi to poppie and we love him as well) til me meet again!*

“ *So sad to hear this news. I know she will be greatly missed. I will always remember her practical common sense nature and her love of her family. Whenever I see any wood carving I remember that she loved to do shows with her late husband. She was always very kind to me especially in my time of difficulty. Judy, Bonnie and Tricia - she will always live in your hearts.

“ *It takes a minute to find a special person, an hour to appreciate them, and a day to love them, but it takes an entire lifetime to forget them. You will never be forgotten Peaches!!! When I cry I remember you telling us not to cry and it was okay, you were ready to go but we didn't want to let you go. Miss you and love you till we meet again!! *Some people come into our lives and quickly go. Others stay for awhile and leave footprints in our hearts and we are never the same. Thanks Aunt Peachy for the many fond memories and laughter we shared. RIP. Love always Mike and Sue Daly.*
