“ Sorry to hear of the Osborn family loss. I worked with Floyd for many years at General Motors. Also enjoyed many golf games with him. I think about him now as I take the sport of golf up again.

*Hi guys. I never read these messages on this site. Took 11 years but I wanted to thank both of you . Dad loved you both and I enjoyed spending time with you both as well. As it turned out I married a Brochu so I am trying to learn some French. I hope this note finds you both happy and healthy*
