AB

“ Happy memories at the cottage at Eels lake and spending many a weekend at the cottage in Blackstock.

“ Aunt Ila, Eric and Heidi, one of my fondest memories of Uncle Frank is how he always got so excited at Christmas time, to share his rum pot with the family. I will always remember him as a man who took such pride in his work, and more importantly, had such strong love for his family. Uncle Frank will be dearly missed by us all.

Love,  
Lisa
