“ I would meet Frank at MacDonald's everyday. He always had the newspaper ready for me. From our contact here, a friendship grew with myself and our wives. Frank had an extremely positive attitude on life. His smile was contagious and he always had a story or funny joke to tell. Our deepest sympathies to Terri and the Powell family. Frank was definitely a true "mensch". Rest in peace, Frank; we will miss you immensely.

“ I had the pleasure of meeting Frank early in my career in the pork sector and worked along with him on several initiatives. Benefits from those efforts continue today. I was greatly impressed with how he strived to achieve what was in the best interest of the entire industry in all of these endeavours. He was a fine man.

“ I will very much miss Frank and our many coffees together. We
often shared our plans and our problems and that was great for both
of us. I could always count on Frank for support and advice. Golfing
